PRESIDING DIETY

संत शिरोमणी
श्री गजानन महाराज

OUR VISION

To be recognized globally for its excellence in pursuit of newer horizons to build self-reliant pharmacists through quality pharmacy education.

OUR MISSION

To impart high-quality technical education and training that enables students to acquire in-depth knowledge & expertise in the field of pharmaceutical sciences to cater to the needs of the pharmacy profession and society at large.

PROGRAMME EDUCATIONAL OBJECTIVES

- ◆ To empower students with various facets of pharmaceutical sciences in core and applied competency areas.
- ◆ To inculcate professional and interpersonal skills in students by providing a healthy and competitive environment.
- ◆ To mould students to serve the community by creating awareness about healthcare issues.
- ◆ To foster an ambitious desire in students for higher studies and career growth.

Dr. D. Y. Patil Unitech Society's DR. D. Y. PATIL DNYAN PRASAD UNIVERSITY

Society was established by Pad. Dr. D. Y. Patil in the year 1984 aimed to establish an educational institute to cater to the needs of deserving students, especially for the students coming from weaker sections of society.

Today, it imparts quality education in the fields of Arts, Commerce, Science, Education, Computer, Law, Engineering, Pharmacy, Management, Architecture, Hotel Management, etc. All these institutes are spread over beautiful picturesque campuses in Pune at Pimpri, Akurdi, and Tathawade and are recognized by Govt. of Maharashtra and approved by various regulatory authorities.

Under the expansive canopy of the renowned Dr. D. Y. Patil Unitech Society, a vibrant new branch has prospered that is Dr. D. Y. Patil Dnyan Prasad University (DYP-DPU), Pune, Maharashtra, India. The university is established under Maharashtra Private Universities (Establishment and regulations)

(Amendment) Act 2024 (Mah. Act No. XX of 2024). The University is highly committed to educate and train the deserving young candidates who have ambition to pursue higher studies in the faculties of varied professional and allied fields with view to help them acquire proficiency and skills required for highly advanced modern industries and make available the much-needed expert personnel and skilled manpower to the fast-growing modern industrial world including the IT and healthcare sector. Currently University is having five constituent units in the field of Engineering, Pharmacy, Management, Hotel management, Law and Humanities. All the constituent units are accredited recognized by National Apex bodies. University aims to bring a positive impact in the present education system by combating the challenges of the Indian education system on three fronts i.e. Expansion, Equity and Excellence.

| PRESIDENT'S MESSAGE

Hon. Dr. P. D. Patil
President,
Dr. D. Y. Patil Unitech Society

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” – Malcolm X

The advancements in education have served as a transformative force, revolutionizing the realm of higher learning in India. At Dr. D. Y. Patil Unitech Society's, Dr. D. Y. Patil Dnyan Prasad University we have embraced this vision to provide world-class education through innovation, inclusivity, and excellence in the field of education. Our academic programs are tailored to meet global standards, fostering an environment where students, faculty, and industry stakeholders thrive.

Our commitment to greater autonomy, enhanced infrastructure, and the integration of advanced technologies reflects a steadfast dedication to academic and professional excellence.

Aligned with the vision of fostering a knowledge-driven economy, We empower all stakeholders with opportunities for growth, achievement, and meaningful contributions to society, shaping a brighter future for generations to come..

Best Regards,

Dr. P. D. Patil

| CHANCELLOR'S MESSAGE

Hon. Dr. (Mrs.) Bhagyashree P. Patil

Chancellor,

Dr. D. Y. Patil Dnyan Prasad University, Pune

“Education is the foundation upon which we build a better future.”

– Christine Gregoire

We are dedicated to nurturing excellence and fostering innovation through a multidisciplinary approach at Dr. D. Y. Patil Dnyan Prasad University. Our diverse schools are designed to equip students with knowledge, skills, and ethical values, empowering them to excel in their chosen fields and contribute meaningfully to society. With a focus on academic rigor, professional growth, and holistic development, we cultivate visionary leaders, skilled professionals, and creative thinkers across various disciplines. By nurturing an environment of intellectual exploration and practical learning, we aim to shape a future enriched by knowledge, innovation, and social responsibility. Our University stands as a beacon of educational excellence, fostering a nurturing environment where students can thrive academically and personally. Together, let us shape a future enriched by knowledge, innovation, and social responsibility.

Best Regards,

Dr. Bhagyashree P. Patil

| PRO-CHANCELLOR'S MESSAGE

Dr. Somnath P. Patil

Pro-Chancellor,

Dr. D. Y. Patil Dnyan Prasad University, Pune

**“Education is the most powerful weapon which you can use to
change the world.” – Nelson Mandela**

Dr. D. Y. Patil Dnyan Prasad University is committed to transforming lives through education, innovation, and inclusivity. In alignment with the visionary goals of the National Education Policy (NEP) 2020, our university strives to provide a holistic and multidisciplinary learning environment that fosters creativity, critical thinking, and adaptability among our students.

We firmly believe in empowering students to become future leaders, equipped not only with academic excellence but also with ethical values and global competencies. Our focus on experiential learning, research-driven education, and skill-based training ensures that our graduates are well-prepared to meet the challenges of the dynamic global landscape.

We take immense pride in nurturing a community of learners who excel in their chosen fields while contributing positively to society. Together, let us embrace the transformative power of education and pave the way for a brighter, more inclusive future.

Warm Regards,

Dr. Somnath P. Patil

| DIRECTOR'S MESSAGE

Dr. Sohan S. Chitlange

Director,

DYPDPU's School of Pharmacy and Research, Pune.

CEO,

Dr. D. Y. Patil Unitech Society, Pune.

“The purpose of education is to replace an empty mind with an open one.” – Malcolm Forbes

At Dr. D. Y. Patil Dnyan Prasad University, we are dedicated to delivering education that transcends traditional boundaries, empowering students to excel in a dynamic and ever-evolving world. Guided by the principles of multidisciplinary and holistic education, we foster an environment where knowledge converges with innovation, and learning extends beyond the classroom.

We encourage students to explore diverse fields, integrate knowledge, and develop a well-rounded perspective that prepares them for complex global challenges. Through hands-on training, industry collaborations, and experiential learning, we equip students with the skills needed to thrive in competitive professional landscapes. As a hub of intellectual curiosity, we promote pioneering research that addresses real-world problems and contributes to societal advancement. We are dedicated to creating an equitable learning environment where every individual, regardless of background, has the opportunity to realize their potential.

With a vision to shape future leaders and change makers, Dr. D. Y. Patil Dnyan Prasad University strives to blend academic excellence with ethical values, nurturing individuals who will leave a positive impact on the world.

I IN AND AROUND PUNE

Pune, is a city rich in history, culture, and natural beauty, offering numerous attractions for visitors. The city boasts iconic landmarks like the **Aga Khan Palace**, a historic palace and museum showcasing Indian history and art, and **Shaniwar Wada**, a 18th-century fort. Nature lovers can unwind at the serene **Pune-Okayama Friendship Garden**, a Japanese-style garden, or visit the picturesque **Mulshi Dam**, a popular picnic spot. History enthusiasts can explore the historic **Sinhagad Fort**, a popular trekking spot, and the **Pataleshwar Cave Temple**, an ancient rock-cut temple dedicated to Lord Shiva. The city is also home to the revered **Dagdusheth Halwai Ganpati**, a famous temple dedicated to Lord Ganesha. Additionally, the city is home to unique museums like the **Darshan Museum**, showcasing Indian culture and spirituality through 3D holographic technology, & the **Raja Dinkar Kelkar Museum**, housing a vast collection of Indian artifacts and artwork. The Pimpri - Chinchwad governed by the Pimpri Chinchwad Municipal Corporation (PCMC) is located 15 KM from the Pune City Centre in the state of Maharashtra. This township is also the birthplace of Ganesh devotee & Saint Morya Gosavi whose holy tomb is located at Chinchwad. Surrounded by DevBhumi of Sant Tukaram Maharaj from Dehu Gaon and Sant Dnyaneshwar from Alandi. With this, PCMC also becomes an Educational Hub

PROGRAMME OFFERED

The School of Pharmacy and Research (formerly known as Dr. D. Y. Patil Institute of Pharmaceutical Sciences and Research), is a prestigious institution imparting advanced pharmaceutical education since its establishment in 1994. The school offers a range of programs, including D. Pharm., B.Pharm., B.Pharm + MBA (Pharm. Tech), Pharm.D, Pharm.D (PB), M. Pharm, Ph.D., M.Sc. Pharmaceutical Analysis, Advanced Diploma In Artificial Intelligence & Computational Drug Discovery and Advanced Certificate Course in Clinical Trials & Pharmacovigilance. The curriculum is thoughtfully designed to provide students with an in-depth understanding of pharmaceutical practices, drug development, healthcare systems and management skills. The school prides itself on maintaining state of art infrastructure and research facilities, facilitating a robust hands-on learning experience. A strong emphasis on practical learning ensures that students are well-prepared for industry challenges and innovations. Recognized for its commitment to quality education, academic excellence, and industry collaborations, the school has made significant contributions to the healthcare sector and plays a pivotal role in developing self reliant pharmacists.

I DIPLOMA JOURNEY

Diploma program (D. Pharm.) can be pursued after completing 10+2 in the science stream.

Duration : 2 YEARS

1. Social Pharmacy

- ◆ Healthcare systems and policies
- ◆ Pharmacy's role in public health
- ◆ Cultural competence in pharmacy practice
- ◆ Social and behavioral aspects of pharmacy

2. Community Pharmacy Management

- ◆ Pharmacy operations and management
- ◆ Inventory management and control
- ◆ Financial management and accounting
- ◆ Marketing, customer service, Quality assurance and control

3. Patient Counselling

- ◆ Communication skills for pharmacists
- ◆ Patient assessment, Disease state management and counseling techniques
- ◆ Medication therapy management
- ◆ Cultural and linguistic considerations in counseling

4. Pharmacy Training

- ◆ Practical training in pharmacy settings
- ◆ Clinical skills development (e.g., dispensing, compounding)
- ◆ Pharmacy software and automation systems
- ◆ Preparation for pharmacy practice and licensure exams

| BACHELOR LIFE

A clear, seamless path to the professional phase

Duration : 4 YEARS

Bachelor's Degree program can be pursued after completing **10+2** in the science stream. The **Bachelor's Degree program** from DYPDPU prepares you to make solid contributions in the pharmacy field and your community. DYPDPU education helps you to develop job skills, learn to think critically, and come to better understand yourself and the world around you.

Year 1 : Build a solid foundation

- Induction
- Experiential learning
- Field visits
- Communication skill training
- Gender sensitizing
- Scientific model engagement activities
- In-depth understanding of pharmacy

Year 2 : Understand

- Life skill education
- Soft skill training
- Practical experience
- Peer learning
- Participative learning
- A platform for actions and reactions of medications

Year 3 : Enrichment

- Career Guidance
- Study of pharmacy law
- Personality development
- Participation in medical camp

Year 4 : Culmination

- Group discussion
- Presentations
- Industrial Visit
- Practice school
- Pre-placement training
- Case studies
- Internships

| B. PHARM. + MBA (PHARM. TECH)

B. Pharm. + MBA (Pharm. Tech) is a newly offered comprehensive **5-year** dual-degree program designed to combine pharmaceutical sciences with managerial expertise. This unique course equips students with in-depth knowledge of pharmacy, healthcare systems, and business management, preparing them for diverse roles in the pharmaceutical and healthcare industries.

Year 1 : Fundamentals

- Pharmacy basics
- Communication skills
- Teamwork
- Gender sensitization
- Scientific engagement
- Management fundamentals

Year 2 : Applications

- Life skills
- Practical experience
- Drug interactions
- Pharma business
- Operations strategy

Year 3 : Versatility

- Career guidance
- Personality development
- Pharmacy laws
- Managerial economics
- Global regulations
- Corporate finance

Year 4 : Professionalism

- Group discussions
- Case studies
- Internships
- Industrial visits
- Brand management
- Entrepreneurship
- Market research

Year 5 : Expertise and Specialization

- Strategic management
- International marketing
- Advanced marketing
- Therapy management
- Sales distribution
- Supply chain
- Digital strategy
- Healthcare analytics

Program Highlights :

- ◎ **Duration** : 10 semesters, saving one academic year compared to pursuing degrees separately.
- ◎ **Expert Faculty** : Courses conducted by experienced faculty and industry professionals.
- ◎ **Tailored Curriculum** : Designed in consultation with industry experts to meet evolving industrial demands.
- ◎ **Dual Degree** : A postgraduate management degree with a strong foundation in pharmacy.

Core Benefits :

- 1. Dual Expertise** : Gain a competitive edge with integrated knowledge of pharmaceutical sciences and business management.
- 2. Diverse Career Opportunities** : Eligibility for roles in pharmaceutical marketing, R&D, healthcare consulting, and entrepreneurship.
- 3. Cost and Time Efficiency** : Obtain two degrees (B. Pharmacy and MBA) in five years, saving time and resources compared to pursuing them separately.
- 4. Industry-Ready Skills** : Blend of technical, analytical, and managerial skills to meet industry demands.
- 5. Global Scope** : Opens pathways for international roles in healthcare and pharmaceutical sectors.

JOURNEY THROUGH PHARM D

The Doctor of Pharmacy, commonly known as Pharm D, is a prestigious professional doctorate degree that is essential for those aspiring to enter the dynamic world of pharmacy. This comprehensive six-year program, inclusive of a one-year compulsory internship, is meticulously designed to prepare individuals for a successful career in pharmaceuticals.

FIRST-YEAR PHARM D

FUNDAMENTAL CONCEPTS OF PHARMACEUTICAL EDUCATION

- To build stepping stones for the students.
- To provide an in-depth understanding of pharmacy. Conduct introductory sessions and organize visits for practical exposure.

SECOND -YEAR PHARM D

UNDERSTANDING OF MEDICINE AND CLINICAL PRACTICES

- To create a platform for the action and reaction of medications.
- Environmental studies to emphasize the importance of nature.
- Practical experience.

THIRD-YEAR PHARM D

CASE-BASED LEARNING BY ANALYZING REAL-LIFE HOSPITAL CASES AND SCENARIOS

- Participation in medical camps.
- Preclinical Studies
- Study of Pharmacy Laws.

FOURTH -YEAR PHARM D

APPLY AND UNDERSTAND A CLINICAL PHARMACY SCENARIO IN A HOSPITAL

- Responsibilities and future aspects of clinical and hospital pharmacy.
- Study toxicity aspects of different natural and synthetic products.
- Theoretical understanding of how medicines act in our body and what changes happen to the body organs.

FIFTH-YEAR PHARM D

REVIEW AND JUDGE THE PATIENT DATA

- Research Projects
- Practical Case Studies
- Clinical Case Studies and Decision-Making

SIXTH-YEAR PHARM D

WORK WITH OTHER HEALTHCARE PROFESSIONALS

- Clinical Services
- Pharmacist Intervention
- Drug Utilization Evaluation
- Adverse Drug Reaction Monitoring
- Medication Error Analysis

OTHER ACTIVITIES

- ◆ Pediatric Dose Division
- ◆ Drug Dose Calculations
- ◆ Chemotherapy Dilutions
- ◆ Externship Programs

I MASTERS @ DYDPDU PHARMACY

Elevate your career with a **two-year Master's in Pharmacy (M. Pharm)**. The program offers hands-on experience with cutting-edge lab instruments. You'll also gain invaluable industry connections through collaborations and internships, preparing you for top-tier roles in the pharmaceutical world. Get ready to lead and innovate

Master in Pharmaceutics:

The Master course in Pharmaceutics covers; formulation and evaluation of various types of dosage forms & various novel drug delivery systems.

Career opportunities:

- ◆ Formulation Development
- ◆ Drug Delivery Systems Research
- ◆ Research & Development (R&D)
- ◆ Production and Manufacturing.

Master in Pharmacology:

A Masters in Pharmacology covers Preclinical Skills along with Pharmacokinetics & Pharmacodynamics, Molecular Pharmacology, and Network Pharmacology.

- ◆ Preclinical and Clinical trial sector
- ◆ Pharmcovigilance Specialist
- ◆ Clinical Research Associate

Master in Pharmaceutical Quality Assurance:

Masters in Quality Assurance equips you with Quality Management Systems, Statistical Process Control, Root Cause Analysis, and Quality Auditing & Risk Management.

- ◆ Regulatory Affairs
- ◆ Analytical process development
- ◆ Quality Control Scientist

Experience-Based Learning Experience

- ◆ Journal Club activity
- ◆ Poster & Research paper presentation at national and international level conferences/ Workshops,
- ◆ Add-on courses (Based on current industrial need),
- ◆ Hands on various advance software's and insights about currents affairs through DYP DPU Vardhan Series
- ◆ Hands on training & working on sophisticated equipment's
- ◆ Industrial visit and Training
- ◆ Industry-academia sponsored/ collaboration research projects,
- ◆ Internship

TRANSFORMATIVE/ INSIGHTFUL SESSIONS, CONFERENCES, HANDS-ON WORKSHOP & CONCLAVE

I TESTIMONIALS

Learning in DYP DPU pharmacy has been a unique experience for me. I, whose college life was passed in the tranquil glories, must now leave the treasures of the past and turn to the future. Now, I shall bid my farewell to the DPU family, Let me rejoice and draw comfort from the fact that I'll always be a DYPian.

Adios !!

- **Dhanraj Patil**
(Final Year PharmD)

"Dear Juniors,

This phase of your journey is full of opportunities to learn, grow, and create memories that will stay with you forever. Remember, success doesn't come overnight—it's built through persistence, hard work, and resilience. Don't be afraid to make mistakes; they are stepping stones to your dreams.

Stay humble and curious, as there's always something new to discover. Build meaningful relationships, as the people around you are your greatest allies in this adventure. Be kind to yourselves and others—compassion and empathy will take you further than you can imagine.

When challenges arise, face them with courage and confidence. Believe in your abilities, and trust that your hard work will pay off. Remember, every senior standing before you was once in your shoes, and we're all here to guide and support you.

The future is bright, and I have no doubt you'll achieve amazing things. Keep shining, stay passionate, and let your journey inspire others!"

- **Om Ranpise**
(Final Year B. Pharm.)

Studying at DYP DPU School of pharmacy and Research, Pune has been a remarkable experience. The supportive faculty members have been a constant source of guidance and motivation, contributing to both academic and personal growth. The excellent infrastructure and well equipped laboratories have provided a strong foundation of practical learning. The practical exposure and extracurricular activities has been a constant source of confidence and competence. Additionally the internship at Dr. D. Y. Patil Medical College and Research Center has been invaluable, offering exposure to real world clinical scenarios. I am really grateful to be a part of this esteemed institution, and I look forward to carrying the lessons learned here into my future endeavors.

- **Dr. Komal Rane**
(Final Year Pharm. D.)

The Bestest Chapter of My life 'Dr. D.Y Patil Dnyan Prasad University's School of Pharmacy and Research, Pune Which gave me wings of confidence & strength .

To all my teachers, thank you for being a source of encouragement and motivation. Your word's of wisdom and support have helped me navigate the challenges of college life.

In college I learned that "**Education is for life not just for exams**".

Once again thank you, for an unforgettable college experience.

- **Hemangi Tayade**
(Second Year D. Pharm.)

I am deeply grateful to DYP DPU Pharmacy, for playing a crucial role in the first step of my career.

The institute has provided us with high-quality education in pharmacy. Along with academics, it also focuses on the overall development of students, offering us opportunities to gain diverse and enriching experiences.

I am sincerely thankful to the faculty and the institute for everything they have provided.

- Shreya Avinash Kamble
(Second Year D. Pharm.)

Hey Juniors!

As I get ready to graduate, I wanted to drop some wisdom bombs on you all. First off, enjoy every single moment of your college days—trust me, these times are golden. Dive headfirst into sports week, go wild at Antarang, and don't just watch from the sidelines—get involved in projects!

And don't be shy about asking our amazing faculty for help—they're there for you. Remember, once you leave this place, there's no coming back for a do-over, so live it up now. Respect your teachers (seriously, they've seen it all) and make friends who'll be there for life.

Also, "Kaand karo but don't cross boundaries"—have fun responsibly! So, have fun, work hard, and make some unforgettable memories!

Best
